COMMENTS:

The application is for a site within the Wokingham Town Centre Conservation Area and should be accompanied by a Heritage Statement, as has been provided with application No 242144 in respect of a similar communications kiosk to be placed outside 42 Market Place.

I have contacted the applicant on behalf of the Wokingham Society to tell him that I have submitted this observation and to point out a few issues in relation to outdated or inaccurate information in the Heritage Statement submitted with application 242144, including the incorrect assumption that the Town Centre and the Langborough Road conservation areas comprise a single conservation area.
