Location of tree: Orchard Lodge

T.1 Multi Stemmed Sycamore (M)
Form into pollard by forming pollard knuckle at approximately 6m, 25-50mm stubs to be left to aid regrowth.

We will require written permission from the tree owner, of T.1 in order to prune their tree, and access their land.

Resulting debris
All resulting debris to be removed from garden.

[Redacted] This discount only applies provided that the balance of the invoice is settled in full within 7 days of the invoice date.

Please note
Quotation based on working from and having access to Orchard Lodge. We require the car parking spaces to be clear.
We will also need to close the footpath - if the council require a fee to do this then this will be communicated and added to the final
