COMMENTS:

I would like to object to the speedy fuels down the old Bath road. It's absolutely ridiculous to have 300 hgv lorry's a week coming down the old Bath road and round that bend, when it's already dangerous enough with some people on the road overtaking on corners. I've witnessed that as a cyclist going to the twyford train station. Furthermore the lorry's, for them to be coming from 5am to 6pm Monday -Sunday through this small village ruining the aesthetic, along with my room being at the front of the house, the sound of cars and buses is already loud enough. There can be nothing good to come from this if it's to go forward. I hope you can understand the damage this will do to Charvil and Twyford, to the people who travel through here to get to work, see family, and the people that live here.
