COMMENTS:

I would like to object to the speedy fuels down the old Bath road.
It's absolutely ridiculous to have 300 hgv lorry's a week coming
down the old Bath road and round that bend, when it's already
dangerous enough with some people on the road overtaking on corners.
I've witnessed that as a cyclist going to the twyford train
station. Furthermore the lorry's, for them to be coming from 5am to
6pm Monday

-

Sunday through this small village ruining the aesthetic, along with
my room being at the front of the house, the sound of cars and buses
is already loud enough. There can be nothing good to come from this
if it's to go forward. I hope you can understand the damage this
will do to Charvil and Twyford, to the people who travel through
here to get to work, see family, and the people that live here.
