

HOUSEHOLDER **DRAFT DECISION NOTICE**

WOKINGHAM
BOROUGH COUNCIL

Expiry Date: 30 October 2024

Application Number: 242195

Location: 8 South Drive, Wokingham, RG40 2DH

Proposal: Householder application for a proposed single storey extension to facilitate leisure facilities and the erection of a detached garage.

Recommendation: Approve

Conditions and/or Reasons

1. Timescale

The development hereby permitted shall be begun before the expiration of three years from the date of this permission.

Reason: In pursuance of s.91 of the Town and Country Planning Act 1990 (as amended by s.51 of the Planning and Compulsory Purchase Act 2004).

2. Approved details

This permission is in respect of the submitted application plans and drawings numbered 01 A, 02 A, 03 A, 04 A, 'BS5837:2012 Tree Survey and Arboricultural Impact Assessment' (dated 8th April 2024), 'Arboricultural Impact Assessment' plan (July 2024 Rev C) and 'Newt Avoidance Method Statement' received by the local planning authority on 28/08/2024, 04/09/2024 and 11/10/2024. The development shall be carried out in accordance with the approved details unless otherwise agreed in writing by the local planning authority.

Reason: For the avoidance of doubt and to ensure that the development is carried out in accordance with the application form and associated details hereby approved.

3. Notwithstanding, and in addition to, the information shown on the approved drawings, no relevant works shall commence on site until full working details of all windows and external doors and related joinery, hereby approved, have been submitted to and approved in writing by the Local Planning Authority. Details shall include annotated elevations, sections and plans which are referenced to the approved plans. These details shall illustrate the nature of materials and finishes, framing elements, glazing, glazing units, glazing bars, and methods of opening. Drawings shall be at a minimum scale of 1:10 and with details at 1:5. The works shall then proceed in strict accordance with the approved details.

Reason: Reason: In order to safeguard the special architectural or historic interest of the building. Relevant policy: National Planning Policy Framework Section 16 (Conserving and Enhancing the Historic Environment) and Managing Development Delivery Local Plan Policy TB24.

4. Notwithstanding information shown on the approved drawings, no relevant works, or those above slab level, shall commence on site until details of materials and finishes have been submitted to and approved by the Local Planning Authority in writing. The submitted details should include physical samples as applicable. The works shall then proceed in strict accordance with the approved details. These requirements include provision of information relating to:

1. The material, size, texture, colour, profile, and source of facing brickwork and jointing mortar;
2. The material, size, texture, colour, profile, and source of roofing materials;
3. Materials and finishes to be used in the detailing of valleys, hips, ridges, gables, parapets, eaves and verges;
4. The proposed rainwater goods.

Reason: Reason: In order to safeguard the special architectural or historic interest of the building. Relevant policy: National Planning Policy Framework Section 16 (Conserving and Enhancing the Historic Environment) and Managing Development Delivery Local Plan Policy TB24.

5. Matching finishes: All new works and works of making good to the retained fabric, whether internal or external, shall be finished to match the adjacent work with regard to the methods used and to material, colour, texture, and profile.

Reason: Reason: In order to safeguard the special architectural or historic interest of the building. Relevant policy: National Planning Policy Framework Section 16 (Conserving and Enhancing the Historic Environment) and Managing Development Delivery Local Plan Policy TB24.

6. Protection of trees etc

a) No development or other operation shall take place except in complete accordance with the 'BS5837:2012 Tree Survey and Arboricultural Impact Assessment GHA/DS/163330:24 8.4.24' (hereinafter referred to as the Approved Scheme).

b) No operations shall commence on site in connection with development hereby approved (including any tree felling, tree pruning, demolition works, soil moving, temporary access construction and or widening or any other operation involving use of motorised vehicles or construction machinery) until the tree protection works required by the Approved Scheme are in place on site.

c) No excavations for services, storage of materials or machinery, parking of vehicles, deposit or excavation of soil or rubble, lighting of fires or disposal of liquids shall take place within an area designated as being fenced off or otherwise protected in the Approved Scheme.

d) The fencing or other works which are part of the Approved Scheme shall not be moved or removed, temporarily or otherwise, until all works including external works have been completed and all equipment, machinery and surplus materials removed from the site, unless the prior approval in writing of the local planning authority has first been sought and obtained.

Reason: To secure the protection throughout the time that the development is being carried out of trees shrubs or hedges growing within or adjacent to the site which are of amenity value to the area, and to allow for verification by the local planning authority that the necessary measures are in place before development and other works commence.

Relevant policy: Core Strategy policy CP3 and [Managing Development Delivery Local Plan policies CC03 and TB21.

7. External materials

Before the development hereby permitted is commenced, samples and details of the materials to be used in the construction of the external surfaces of the building/s shall have first been submitted to and approved in writing by the local planning authority. Development shall not be carried out other than in accordance with the so-approved details.

Reason: To ensure that the external appearance of the building is satisfactory.

Relevant policy: Core Strategy policies CP1 and CP3.

8. The garage hereby approved shall be used as incidental accommodation to the enjoyment of the main dwellinghouse and the dwelling shall remain in use as a single dwellinghouse and not be used, sold or sub-let as separate dwellings.

Reason: A separate unit of accommodation of this nature may not be acceptable in this location in the interests of the amenities, character of the area and highway safety in accordance with Core Strategy Policies CP1, CP3, CP4 and Managing Development Delivery Local Plan policies CCO1, CCO7, TB07 and TB08.

Informatives

1. Whilst it would appear from the application that the proposed development is to be entirely within the curtilage of the application site, the granting of planning permission does not authorise you to gain access or carry out any works on, over or under your neighbour's land or property without first obtaining their consent, and does not obviate the need for compliance with the requirements of the Party Wall etc. Act 1996.

2. The applicant may need to apply for Building Regulations approval. Please contact the WBC Building Control Team to discuss.

<https://www.bcsolutions.org.uk/>

3. The applicant is reminded that should there be any change from the approved drawings during the build of the development this may require a fresh planning application if the changes differ materially from the approved details. Non-material changes may be formalised by way of an application under s.96A Town and Country Planning Act 1990.

4. Bats are a protected species under the Conservation of Habitats and Species Regulations 2017 (as amended). Should any bats or evidence of bats be found prior to or during the development, all works must stop immediately and an ecological consultant contacted for further advice before works can proceed. All contractors working on site should be made aware of the advice and provided with the contact details of a relevant ecological consultant.

5. Great Crested Newts are a protected species under the Conservation of Habitats and Species Regulations 2017 (as amended). This site is wholly within a amber risk zone according to modelling undertaken to inform a Borough wide licence issued by Natural England. Amber zones contain suitable habitat and Great Crested Newts

are likely to be present. The permission granted does not provide authorisation for development to proceed under the Wokingham Borough Council District Licence for Great Crested Newts. Should any Great Crested Newts or evidence of Great Crested Newts be found prior to or during the development, all works must stop immediately and an ecological consultant contacted for further advice before works can proceed.

All contractors working on site should be made aware of the advice and provided with the contact details of a relevant ecological consultant.

6. The Local Planning Authority has acted positively and proactively in determining this application by assessing the proposal against all material considerations, including planning policies and any representations that may have been received. This planning application has been the subject of positive and proactive discussions with the applicant in terms of:

- Revised Site Plan.
- Revised Location Plan.
- Revised plans to address Built Heritage officer comments.
- Agreed amended description.
- Agreed conditions.

The decision to grant planning permission in accordance with the presumption in favour of sustainable development as set out in the NPPF is considered to be a positive outcome of these discussions.
