Dear sirs,

RE: PLANNING APPLICATION PP-14986331 – Biodiversity Report

My client Farhad Binava have contacted Ms.Valentine and confirmed that Full Biodiversity Report is not required as this matter was taken care of during the previous planning application No. 241588 and also changes made for the new application will not affect BNG.

Thank you for the support, assistance and cooperation with regards to the above matter.

Kind regards,

Neno Lennard - BSc Dip Arch CFM
