COMMENTS:

I object to this application. The access is totally unsuitable. It would cause problems with traffic exiting on to Old Forest Road, especially during school times and cause safety issues for the children. The residents endured disruption during the construction of the NWDR, which was designed to take traffic away from Old Forest Road and Emmbrook. The building of 53 dwellings would put a great deal of traffic back on to the road, take away more open space for wildlife and cause established trees to be felled.
