

Important Customer Notes

the dimensions shown along with any comments and additional details relating to your project. We would also ask that you pay particular attention to the actual position on the building and the relation to any table, bench, counter, etc., existing door or window locations, as these drawings will be used on our build-

Any changes, errors or omissions to these drawings must be notified in writing by email or post immediately to the project manager. No changes will be made to these plans once works commence on site as to these plans once works commence on site as additional costs and charges may be incurred!

Please Note:

- * All views shown are **EXTERNAL** looking at your property from the garden, patio or terrace area, unless otherwise stated.
- * All dimensions shown on the plans are **EXTERNAL** as indicated.

To calculate the approximate internal floor areas:

base plan for each new cavity wall constructed.
(ie: a base 5,000mm wide x 3,000mm projection externally would have an internal floor area of 44,000mm x 27,000mm).

Specification:

Frames: (PVCu Internally Beaded)
