COMMENTS:

Winnersh is great place to live , with people from diverse background living here
Religion was never a topic of discussion in winnersh, everything is peaceful

I suggest council should work with representatives from all the major religions in this region , provide permission based on population & its ratio

Possible negative impacts if religious sites are permitted;

Dominance of one religion over other

people start leaving this area and business will reduce, property rates will drop , schools will get closed , unemployment increases
Please don't compete with Birmingham & Slough councils as we have already following religious centres in within 5 miles ;

1. Aisha Masjid & Islamic Centre
2. Jamme Masjid Reading
3. Cumberland Road Masjid
4. Reading Islamic Centre
5. Al-Majid Centre
6. Reading University Muslim Centre
7. Central Jamme Masjid, Reading
8. Markaz Salafi Mosque
9. Reading Islamic Centre Another Branch
10. Masjid Bracknell Islamic Cultural Society
11. Jamiat Ahl-E-Hadith
12. Caversham Muslim Association

13. Anjuman Muhibbsn-e-Rasool Jamme Masjid 14.
