COMMENTS:

I would like to oppose this proposal, as I feel that Winnersh is already too congested and doesn't have the space or infrastructure in place to deal with a new school. We are already have alot of new buildings coming up in the area but don't have the infrastructure for it. People will be parking everywhere with no consideration for residents. We already have people parking on the pavement and blocking the view coming out of our driveways because there is not sufficient parking in the area.
