COMMENTS:

Why we are all for other sports and getting as many people active as possible, not at the expenses of our football pitches and our home for over 50 years we don't fill that this is the right location for all these other activates we fill that they should be spread over the other venues that Shinfield Parish Council have so more accessible for the whole parish and not just this one spot in the parish and that SPC only have Millworth lane due to the Shinfield Association folding and ourself and Shinfield cricket not being in a pension to take it over due to covid, so all these extra sports would have been allocated elsewhere to start with within the neighbourhood plan for the parish so why now try and put it all on a already used sporting facility, I believe they is only 24 years left on the lease for Millworth after which SPC will have to apply to re-lease the land they could spend over 800k of the community Cil money for it to not be the communities in 24 year's time. Out of the 7 sport/activities that SPC w
