

PLANNING REF : 250005
PROPERTY ADDRESS : Oatlands Road
: Reading, Reading
: RG30 4SX
SUBMITTED BY : OATLANDS ROAD ACTION GROUP
DATE SUBMITTED : 01/07/2025

COMMENTS:

The work has been completed without any permission what so ever. It has not been built in accordance with the retrospective plans. Looks like it's been built without any Building Regulations Approval. The property has not been built with a 100 mm Gap between the adjacent property and has actually connected to it without any PWA.

Please check your own rules and regulations before making a gross error and grant retrospective planning. It would set the wrong precedent throughout the Borough.
