COMMENTS:

I object to this planning application on the following grounds;  
The infrastructure within the Shinfield and Spencers Wood areas is  
over loaded. Roads are congested at peak times and this development  
will put pressure on an already overloaded road system.

There is already insufficient provision for primary and secondary  
schooling.

The two main doctor's surgery's in Shinfield and Swallowfield are at  
running over capacity already which leads to very long waits for  
appointments.

The villages of Shinfield, Spencers Wood and Swallowfield are fast  
becoming a large housing development with little or no green space  
left for wildlife and leisure.
