

PLANNING REF : 250959
PROPERTY ADDRESS : 101 East Park Farm Drive
: Charbil, Reading
: RG10 9UQ
SUBMITTED BY : Mrs Alexandra McLean
DATE SUBMITTED : 10/06/2025

COMMENTS:

This site is directly adjacent to a nature reserve. As such, the risk of a fuel spillage and consequent pollution is unacceptable. Additionally, the Old Bath Road is already very busy, especially around this site (large delivery lorries often park on the main road, causing congestion and increasing danger due to traffic having to overtake). The trucks visiting this site will only increase the problems of noise, pollution and traffic congestion.
