Summary Of Recommendations

- ☐ No comment
☒ No objection
☐ No objection subject to conditions (and reasons) **stated below**
☐ Request further information before determination as **stated below**
☐ Objection due to the reason(s) **stated below**

Comments On Proposal

The proposed apparatus has no impact on the public highway.
 This is an existing telecommunication site located on private land. There is an existing private access arrangement from the public highway with adequate parking and turning area for service/maintenance vehicles.
