

HOUSEHOLDER **DRAFT DECISION NOTICE**

WOKINGHAM
BOROUGH COUNCIL

Expiry Date: 28 January 2025

Application Number: 243049

Location: 33 Orchard Estate, Twyford, Wokingham, RG10 9LA

Proposal: Householder application for proposed single storey rear extension following the demolition of the existing conservatory, and fenestration changes.

Recommendation: Approve

Conditions and/or Reasons

1. Timescale - The development hereby permitted shall be begun before the expiration of three years from the date of this permission.

Reason: In pursuance of s.91 of the Town and Country Planning Act 1990 (as amended by s.51 of the Planning and Compulsory Purchase Act 2004).

2. Approved details - This permission is in respect of the submitted application plans and drawings numbered 2406_01, 2406_04, 2406_05 and 2406_06, and the report titled Great Crested Newt Statement (John Wenman Ecological Consultancy LLP, November 2024, received by the local planning authority on 3 December 2024. The development shall be carried out in accordance with the approved details unless other minor variations are agreed in writing after the date of this permission and before implementation with the Local Planning Authority.

Reason: For the avoidance of doubt and to ensure that the development is carried out in accordance with the application form and associated details hereby approved.

3. External materials - Except where stated otherwise on the approved drawings and application form, the materials to be used in the construction of the external surfaces of the development hereby permitted shall be of similar appearance to those used in the existing building, unless other minor variations are agreed in writing after the date of this permission and before implementation with the Local Planning Authority.

Reason: To ensure that the external appearance of the building is satisfactory.
Relevant policy: Core Strategy policies CP1 and CP3.

4. GCN avoidance measures - The development hereby approved shall be implemented strictly in accordance with Section 6.3 of the approved Great Crested Newt Statement (John Wenman Ecological Consultancy LLP, November 2024).

Reason: To minimise the impacts of development on biodiversity, in accordance with Policy CP7 of Wokingham Borough Council's Core Strategy, Section 15 of the NPPF, Circular 06/2005 and the Natural Environment and Rural Communities Act 2006.

Informatives

1. The Local Planning Authority has acted positively and proactively in determining this application by assessing the proposal against all material considerations, including planning policies and any representations that may have been received and subsequently determining to grant planning permission in accordance with the presumption in favour of sustainable development as set out in the NPPF.

2. Whilst it would appear from the application that the proposed development is to be entirely within the curtilage of the application site, the granting of planning permission does not authorise you to gain access or carry out any works on, over or under your neighbour's land or property without first obtaining their consent, and does not obviate the need for compliance with the requirements of the Party Wall etc. Act 1996.

3. Bats are a protected species under the Conservation of Habitats and Species Regulations 2017 (as amended). Should any bats or evidence of bats be found prior to or during the development, all works must stop immediately and an ecological consultant contacted for further advice before works can proceed. All contractors working on site should be made aware of the advice and provided with the contact details of a relevant ecological consultant.

4. Great Crested Newts are a protected species under the Conservation of Habitats and Species Regulations 2017 (as amended). This site is wholly within a red risk zone according to modelling undertaken to inform a Borough wide licence issued by Natural England. Red zones contain suitable habitat and most important areas for Great Crested Newts. The permission granted does not provide authorisation for development to proceed under the Wokingham Borough Council District Licence for Great Crested Newts. Should any Great Crested Newts or evidence of Great Crested Newts be found prior to or during the development, all works must stop immediately and an ecological consultant contacted for further advice before works can proceed.

All contractors working on site should be made aware of the advice and provided with the contact details of a relevant ecological consultant.
