

Address – 1 The Manor, Shinfield, RG2 9DP

Tree is outlined in the red circle – Cedar

Works proposed –

- Crown lift to 3m to provide clearance
- Crown thin by 10% to provide more light to the garden and reduce debris
- Reduce away from house and garage back to previous points leaving at a spread of approx 5m

Reasons for works –

- In close proximity to the house, pool and garage, very dense low canopy causing a lot of debris to fall.
