Appraisal

Development
The site is a two-storey detached dwelling, situated within the identified settlement of Winnersh.

The proposed development is for a single storey front extension to the garage and single storey rear extension to form a conservatory. The garage would project 1.8m forward and would incorporate a pitched roof, 2.2m to the eaves and 4m to the ridge. The conservatory would be L-shaped , extending 5.4 to the rear and covering a width of 6.1m. The roof would be pitched, 2.2m to the eaves and 3.3m to the ridge.

1) Impact upon Neighbouring Properties
No overlooking is considered from the conservatory on neighbouring properties. The rear lines of the houses in question are parallel and boundary height is considered sufficient. The curtilage with Wayside is marked by a 1.8m fence and tall hedges (c.4m), and with Lyndhurst it is marked by a 2m fence and hedges.

Due to the positioning of the conservatory and its single storey nature, no adverse affects would be felt in terms of overshadowing or overbearing. Although the garage extension is single storey it has a high ridge, however, the 45° angle from the neighbour's front window would not be subtended.

2) Impact upon the Character of the Area
The conservatory would be screened at the rear of the house and is therefore not an issue here. The pitched roof design of the front garage extension would follow the existing roofline of the dwelling and compliment the design of the front porch. It is not felt to detract from the charcter of the streetscene.

3) Parking and Highways
The garage extension would reduce the area of the driveway, however, there is still sufficient space for the existing parking requirement of this 4 bedroom property. Highways have no objections to the proposal on the condition that these spaces are retained.

Approval ~~**Refusal**~~

NB The proposed patio doors would not provide overlooking onto Lyndhurst. This neighbour has one ground floor side window which is set further forward and screened behind the protruding garage of Tallis.
