Subject: APPLICATIONS TO BE ADVERTISED IN THE READING CHRONICLE AND HENLEY STANDARD

Importance: High

The following applications were supposed to be advertised in the Reading Chronicle;

2001/3562 - Nicola Lake
2001/3534 - Joss Miller
2001/3490 - Natalie Brown

2001/3611 - George Allpress - was supposed to be advertised in the Henley Standard.

Due to a cock-up (that's the technical word for it !) the company responsible for placing the adverts missed the editions on the 12.4.2001 and didn't notify us until today. This means that we have also missed the editions for this week as well so the adverts will not be published until 26.4.2001, the 21 days for comments will have to be started from the 26th and the earliest date that a decision can now be made will be the 17th May.

I'm not going to arse about with new site notices but this may mean that some applications go over the 8 weeks so sorry about that.
