TOWN AND COUNTRY PLANNING (ENGLAND) 1990

Miss Abi Krzeminski
Laxton Properties (New
Homes) Ltd
2 Amersham House
Mill Street
Berkhamsted,
Hertfordshire
HP4 2DT

NOTIFICATION OF APPROVAL OF PLANNING PERMISSION

Application Number: 232680

Applicant Name: Miss Abi Krzeminski, Laxton Properties (New Homes) Ltd

Site Address: Thames Bridge House, Henley Bridge, Henley On Thames, RG9 2LN

Proposal: Full application for the proposed erection of a four storey building consisting of 3 no. residential units (3no. 3 bedroom units) with associated parking (6no. spaces) and amenity space including 2 no. first floor balconies and a roof terrace, following demolition of the remaining built form on the site.

Date of Decision: 18 January 2024

Wokingham Borough Council in pursuance of its powers under the above Acts and Regulations hereby **grants permission** for the above development to be carried out as stated in the application and the accompanying plans submitted to the Council subject to compliance with the following conditions, the reasons for which are specified hereunder.

Conditions and Reasons

1. Timescale - The development hereby permitted shall be begun before the expiration of three years from the date of this permission.

Reason: In pursuance of s.91 of the Town and Country Planning Act 1990 (as amended by s.51 of the Planning and Compulsory Purchase Act 2004).

2. Approved details - This permission is in respect of the submitted application plans and drawings numbered P/23/12/S/110, P/23/12/S/120, P/23/12/S/140, P/23/12/S/150, 00-90 Rev.T7, 00-91 Rev.T6, 00-92 Rev. T5 and 00-93 Rev. T5 and documents titled 'External Materials Schedule' and 'Demolition & Construction Management Plan' received by the local planning authority on 31 October 2023,

numbered T23/12/144 Rev.C received on 11 December 2023, numbered P23/12/S/130 Rev.A and titled 'Soft Landscape Specification' Rev.A and 'Piling Method Statement and Layout' received on 15 January 2024 and numbered P23/12/S/101 Rev.B and P23/12/100 Rev.A received on 18 January 2024. The development shall be carried out in accordance with the approved details unless other minor variations are agreed in writing after the date of this permission and before implementation with the Local Planning Authority.

Reason: For the avoidance of doubt and to ensure that the development is carried out in accordance with the application form and associated details hereby approved.

3. Solar panels - Notwithstanding the approved details, no works shall be undertaken to have installed the roof mounted solar panels of the hereby approved development until full details of the solar panel array and mounting have been submitted to and agreed in writing by the local planning authority. The installation of the solar panels shall then be undertaken and retained in accordance with the details as approved.

Reason: To ensure that the external appearance of the building is satisfactory.

Relevant Policy: Core Strategy policies CP1 and CP3 and Managing Development Delivery Local Plan policy TB24.

4. Biodiversity enhancements - Prior to the first occupation of the development hereby permitted, revised details of biodiversity enhancements, to include bird and minimum 6 integrated bat boxes, tiles or bricks on and around the new building shall be submitted to and approved in writing by the Council. The approved biodiversity enhancements shall thereafter be installed and maintained as approved.

Reason: To incorporate biodiversity in and around developments. Relevant policy: NPPF Section 15, Core Strategy Policy CP7 and Managing Development Delivery Local Plan Policy TB23.

5. External lighting - Prior to the first occupation of the development hereby permitted, details of any external lighting scheme shall be submitted to and approved in writing by the local planning authority. The scheme shall set out the steps that will be taken to ensure that external lighting, including zonal/security lighting, does not cause a nuisance to local residents, including future residents of the site, or harm protected species. The approved lighting scheme shall be installed and maintained for the life of the development.

Reason: To protect the amenity of local residents and protected species. Relevant policy: NPPF Section 15, Core Strategy Policy CP1, CP3 and CP7 and Managing Development Delivery Local Plan Policy TB23.

6. Protection of trees - a) No development or other operation shall take place except in complete accordance with the Arboricultural Statement and Tree Protection Plan by Andrew Belson Arboricultural Consultant dated 15.01.2024 numbered 5345.Thames.HB.TPP Rev.A (hereinafter referred to as the Approved Scheme).

b) No operations shall commence on site in connection with development hereby approved (including any tree felling, tree pruning, demolition works, soil moving, temporary access construction and or widening or any other operation involving use of motorised vehicles or construction machinery) until the tree protection works required by the Approved Scheme are in place on site.

c) No excavations for services, storage of materials or machinery, parking of vehicles, deposit or excavation of soil or rubble, lighting of fires or disposal of liquids shall take place within an area designated as being fenced off or otherwise protected in the Approved Scheme.

d) The fencing or other works which are part of the Approved Scheme shall not be moved or removed, temporarily or otherwise, until all works including external works have been completed and all equipment, machinery and surplus materials removed from the site, unless the prior approval in writing of the local planning authority has first been sought and obtained.

Reason: To secure the protection throughout the time that the development is being carried out of trees shrubs or hedges growing within or adjacent to the site which are of amenity value to the area, and to allow for verification by the local planning authority that the necessary measures are in place before development and other works commence. Relevant policy: Core Strategy policy CP3 and Managing Development Delivery Local Plan policies CC03 and TB21.

7. Flood risk - Development shall be carried out in accordance with the Flood Risk Assessment (Reference: 399 FRA-001 dated October 2023) received by the local planning authority on 31 October 2023.

Reason: To prevent the increased risk of flooding, and to protect water quality.

Relevant policy: NPPF Section 14 (Meeting the Challenge of Climate Change, Flooding and Coastal Change), Technical Guidance on the NPPF (Flood Risk), Core Strategy policy CP1 and Managing Development Delivery Local Plan policy CC09.

8. Front railings - Notwithstanding the approved details, the front boundary railings are to be of a black finished metal, unless otherwise agreed in writing by the local planning authority prior to the installation of the railings.

Reason: To ensure that the railings are respective of the character and appearance of the conservation area. Relevant policy: Managing Development Delivery Local Plan policy TB24.

9. Hours of work - No work relating to the development hereby approved, including works of demolition or preparation prior to building operations, shall take place other than between the hours of 08:00 and 18:00 Monday to Friday and 08:00 to 13:00 Saturdays and at no time on Sundays or Bank or National Holidays.

Reason: To protect the occupiers of neighbouring properties from noise and disturbance outside the permitted hours during the construction period. Relevant policy: Core Strategy policies CP1 and CP3 and Managing Development Delivery Local Plan policy CC06.

10. Access to be provided - No building shall be occupied until the access has been constructed in accordance with the approved plans.

Reason: In the interests of highway safety and convenience. Relevant policy: Core Strategy policies CP3 & CP6.

11. Access surfacing - Prior to the occupation of any of the units hereby permitted, the vehicular access shall be surfaced with a permeable and bonded material across the entire width of the access for a distance of 10 from the carriageway edge.

Reason: To avoid spillage of loose material onto the highway, in the interests of road safety. Relevant policy: Core Strategy policy CP6.

12. No part of the development hereby approved shall be occupied until the Electric Vehicle Charging (EVC) points indicated on Drg No. P23/12/S/150 has been provided. The EVC points shall be installed in accordance with the approved details and shall be permanently retained and made available for the purpose of charging a vehicle, unless agreed otherwise, in writing, by the LPA.

Reason: In order to ensure that secure electric vehicle charging facilities are provided so as to encourage the use of sustainable modes of travel. Relevant policy: NPPF Section 9 (Sustainable Transport) and Core Strategy policies CP1, CP3 & CP6 and Managing Development Delivery Local Plan policy CC07 and Appendix 2 and the Council's Parking Standards Study Report (2011).

13. Parking and turning space to be provided - No part of any building(s) hereby permitted shall be occupied or used until the vehicle parking and turning space has been provided in accordance with the approved plans. The vehicle parking and turning space shall be retained and maintained in accordance with the approved details and the parking space shall remain available for the parking of vehicles at all times and the turning space shall not be used for any other purpose other than vehicle turning.

Reason: To provide adequate off-street vehicle parking and turning space and to allow vehicles to enter and leave the site in a forward gear in the interests of road safety and convenience and providing a functional, accessible and safe development and in the interests of amenity. Relevant policy: Core Strategy policies CP3 & CP6 and Managing Development Delivery Local Plan policy CC07.

14. Cycle parking to be provided - No building shall be occupied until secure and covered parking for cycles has been provided in accordance with the approved drawing (s)/details. The cycle parking/ storage shall be permanently so- retained for the parking of bicycles and used for no other purpose.

Reason: In order to ensure that secure weather-proof bicycle parking facilities are provided so as to encourage the use of sustainable modes of travel. Relevant policy: NPPF Section 9 (Sustainable Transport) and Core Strategy policies CP1, CP3 & CP6 and Managing Development Delivery Local Plan policy CC07.

15. Bin store - No building shall be occupied until the bin storage area/ facilities have been provided in full accordance with the approved details. The bin storage area and facilities shall be permanently so-retained and used for no purpose other than the temporary storage of refuse and recyclable materials.

Reason: In the interests of visual and neighbouring amenities and functional development. Relevant policy: Core Strategy CP3 and Managing Development Delivery Local Plan policy CC04.

16. Gates - Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) (England) Order 2015 (or any Order revoking and re-enacting that Order with or without modification), no gates or barriers shall be erected on the shared vehicular access hereby permitted.

Reason: To assist in the integration of the development into character and community of the area and in the interest of highway safety. Relevant policy: Core Strategy policies CP1, CP3 & CP6 and Wokingham Borough Design Guide SPD

Informatives

1. Please note that if the works carried out depart from the scope of this planning permission and a retrospective application under Section 73A is subsequently required, there may be CIL liability implications. The scope of any retrospective planning application will cover the chargeable development for the purposes of CIL, this will include past works that are unauthorised and any additional future works included within the planning permission. If the total floorspace of these works is over 100sqm, they will be liable to pay CIL. In such cases, no CIL exemption can be claimed, and payment will become due immediately as development for which planning permission is granted under a subsequent Section 73A or Section 177(1) application must be treated as commencing on the day any such planning permission is granted. Any demolished floorspace will not be able to be considered for offsetting if the relevant building is not on the land on the day that the permission is granted.

2. The Local Planning Authority has acted positively and proactively in determining this application by assessing the proposal against all material considerations, including planning policies and any representations that may have been received. This planning application has been the subject of positive and proactive discussions with the applicant in terms of:

- a full pre-application process was undertaken by the applicant;
- addressing concerns relating to tree protection.

The decision to grant planning permission in accordance with the presumption in favour of sustainable development as set out in the NPPF is considered to be a positive outcome of these discussions.

3. Whilst it would appear from the application that the proposed development is to be entirely within the curtilage of the application site, the granting of planning permission does not authorise you to gain access or carry out any works on, over or under your neighbour's land or property without first obtaining their consent, and does not obviate the need for compliance with the requirements of the Party Wall etc. Act 1996.

4. The applicant is reminded that there are trees on site protected by a Tree Preservation Order. It is a criminal offence to wilfully or knowingly cause damage to those trees, including their roots unless in accordance with express planning permission.

5. Where this permission requires further details to be submitted for approval, the information must formally be submitted to the Council for consideration with the relevant fee. Once details have been approved in writing the development should be carried out only in accordance with those details. If this is not clear please contact the case officer to discuss.

6. Adequate precautions shall be taken during the construction period to prevent the deposit of mud and similar debris on adjacent highways. For further information contact the Highway Authority on tel.: 0118 9746000.

7. The development hereby permitted is liable to pay the Community Infrastructure Levy. The Liability Notice issued by Wokingham Borough Council will state the

current chargeable amount. A revised Liability Notice will be issued if this amount changes. Anyone can formally assume liability to pay, but if no one does so then liability will rest with the landowner. There are certain legal requirements that must be complied with. For instance, whoever will pay the levy must submit an Assumption of Liability form and a Commencement Notice to Wokingham Borough Council prior to commencement of development, failure to do this will result in penalty surcharges being added. For more information see the Council's website - Community Infrastructure Levy advice page. Please submit all CIL forms and enquiries to developer.contributions@wokingham.gov.uk.

PLEASE READ THE NOTES ISSUED WITH THIS DECISION NOTICE BELOW

WOKINGHAM BOROUGH COUNCIL

TOWN AND COUNTRY PLANNING ACTS TOWN AND COUNTRY PLANNING (ENGLAND) 1990

Other statutory legislation: This decision notice relates to the above stated acts and regulations only and does not constitute approval under any other legislation.

The Town & Country Planning (Development Management Procedure) Order: This decision has been made in accordance with the requirements of the National Planning Policy Framework (NPPF) and in the requirement to work with the applicant in a positive and proactive manner.

Officer Report: An officer report explaining the decision will be available to view online.

Purchase notices: If either the local planning authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that the owner can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted. In these circumstances, the owner may serve a purchase notice on the Council which will require the Council to purchase the owner's interest in the land in accordance with the provisions of Chapter I of Part VI of the Town and Country Planning Act 1990.

Appeals to the Secretary of State: If your application has been **refused** by the Borough Council or **granted subject to conditions** that you are not happy with, you have the right to appeal to the Planning Inspectorate (under Section 78 of the Town and Country Planning Act 1990). This must be within the timeframes set out below. Please note an extension of time for lodging an appeal is unlikely to be granted except in special circumstances.

12 weeks from the decision date above in the case of a refusal of a 'householder' application:
Being the refusal of an application for planning permission to alter or extend a house, or for works within the curtilage of a house; or,
Being the refusal to approve details submitted as required by a condition imposed on a permission granted for a householder application.

12 weeks from the decision date above in the case of a refusal of a 'minor commercial' application:
Being the refusal of an application for development of an existing building or part of a building currently in use for purposes in Use Classes A1, A2, A3, A4 and A5

where the proposal does not include a change of use, a change to the number of units, development that is not wholly at ground floor level and/or does not increase the gross internal area of the building.

6 months from the decision date above in the case of all other appeals made under s78(1) or s20 of the above Acts relating to a decision on a planning application or listed building/conservation area consent application.

6 months from the decision date above in the case of any appeal made under s78 (2) of the Act in respect of a failure to give a decision within the statutory period.

The Planning Inspectorate is an Executive Agency reporting to the Secretary of State for Communities and Local Government. The Inspectorate has an online appeals service with information and guidance about the process. You can submit [full application appeals](#) and [householder application appeals](#) with the new appeals service. [Other application types](#) should be submitted on the current appeal service. Alternatively, you can obtain a form from the Planning Inspectorate at Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN, 0303 444 5000 or through the [Inspectorate's website](#). Please note all documents will be published online by the Planning Inspectorate and therefore you should not include personal information you do not wish to be displayed in this way. This includes personal information of third parties.

In the event of a grant of planning permission, please note the following:

Community Infrastructure Levy (CIL): When planning permission is granted for a development that is CIL the Council will issue a liability notice as soon as practicable after the day on which the planning permission first permits development. Completing 'Form 2', the assumption of liability notice, is a statutory requirement for the liable party(ies) to be completed for all CIL liable applications. Advice on how the Regulations may impact you and how you can properly discharge the relevant legal requirements including paying any relevant CIL charge that may be due is available on our [Community Infrastructure Levy advice \(wokingham.gov.uk\)](http://wokingham.gov.uk) website pages.

Discharge of Conditions: This consent may contain conditions that require further approval by submission of an application for approval of details reserved by condition and the appropriate fee. Application forms can be obtained for this purpose by visiting the [Planning Portal](#).

Street Naming and Numbering for new dwellings: If this notice relates to approval of new dwellings, please ensure that you contact the Council at least 16 weeks before the commencement on site to arrange for an address and post code to be allocated. Details can be obtained from streetnamingandnumbering@wokingham.gov.uk. Failure to contact the street naming and numbering department at least 16 weeks before commencement on site will result in the addressing and post code for the development being delayed.

Access to privately owned land: The applicant is reminded that this permission does not give right of entry to land not in the ownership of the applicant. Permission must be sought from any other landowner(s) if access is required.

Gas Mains and Services: Building over a gas main or service that is located within your site could cause damage to pipework or potential gas leaks within buildings. You should check for information relating to services within your site at [Home - LinesearchbeforeUdig \(lsbud.co.uk\)](http://lsbud.co.uk) and contact the Plant Protection Team at SGN on 0800 912 1722 or plantlocation@sgn.co.uk.

Building Regulations: The development subject to this permission may also require Building Regulation approval to ensure it is built to national safety, design, and environmental standards. The Council's Local Authority Building Control (LABC) service offers a full range of plan approval, inspection, and associated services through an ISO9001 nationally accredited team of qualified building surveyors. These surveyors work closely with the Council's planning department to ensure the appropriate construction of your build. To find out more visit the Council's [Building Control website](#) or call 0300 790 0580 to speak to a member of the team.

Fire Regulations: In accordance with the Berkshire Act 1986, when Building Regulation applications are submitted for building(s) or extensions, the Local Authority will reject the plans unless, after consultation with the fire authority, they are satisfied that the plans show the following:

- i) That there will be adequate means of access for the fire brigade to the building(s) or the extended building(s); and,
- ii) That the building(s) or extension(s) will not render inadequate any existing means of access for the fire brigade to a neighbouring building.
