

EXISTING LAWFUL CERTIFICATE **DRAFT DECISION NOTICE**

WOKINGHAM
BOROUGH COUNCIL

Application Number: 242606

Draft Recommendation: Wokingham Borough Council hereby certify that on 15 October 2024 (being the date of application for this certificate), and subject to any conditions or informatives below, the use/operations/matter described in the First Schedule hereto in respect of the land specified in the Second Schedule hereto, and edged red on the attached plan **would have been lawful** within the meaning of Section 191/192 of the Town and Country Planning Act 1990 (as amended) or section 26H (2) of the Planning (Listed Buildings & Conservation Areas) Act 1990 (as amended), for the following reason(s):

1. The gravel tracks, asphalt driveway along the southern and western edges of the polo arena, hardstanding to the south of the polo arena, and concrete linkway with rubber paved surfacing are development requiring planning permission. The relevant test for Lawful Use is the 'balance of probability'. Based on the evidence provided and the Local Planning Authority's own information, it is considered to have been demonstrated that , the hardstandings have been substantially completed for at least four years. It is therefore considered that the application of a certificate of existing lawful use should be approved

Informatives

1. This Certificate relates to operational development only.
