Consultation Responses:

Wokingham Without Parish Council - no objection.

At the time of writing no additional comments have been received.

Planning Issues: The issues raised by this application are impact to neighbour amenity.

The following policies apply: Berkshire Structure Plan policy EN1: Policy SBE2 of the South East Area Local Plan and, Wokingham District Local Plan Deposit Draft 1997 policy WBE1.

Application Number: F/2000/3075

Appraisal:

The application property is a modern detached house which is situated on an estate of similarly designed houses.

The application proposes a single storey rear extension at just under 4.0 metres in depth.

There are no street scene issues as the extension would not be visible from the public domain.

The extension is for a play room and breakfast area and therefore would not result in an increase in parking demand.

In terms of amenity, this and the neighbouring dwellings have a staggered layout such that each dwelling lies further rearward than its neighbour. No.2 Geranium Close is to the north, and the relationship between the two is such that the proposed extension would not project beyond their rear elevation. Therefore no adverse impact.

No.34 Lupin Ride is to the south. The existing rear wall of the application property is around 4.2 metres beyond no.34's rear elevation, and the proposed extension would project further rearward by an additional 4.0 metres.

The applicant has revised the proposal so as to incorporate a roof which is pitched in away from the direction of the boundary and a gap of around 1.0 metre would be maintained between flank and boundary. Given no.34 lies to the south of the application property, the gap that would be maintained and the pitched roof, no material harm is considered to result.
