For The Attention Of Natalie Brown

As our conversation today I can confirm that the preferred brick for the external faces is Hanson (was LBC) 'Tudor'. This has been used in the small of brickwork under the porch window. I trust that this is sufficient for you to gauge the appearance and match.
If you are able to verify the suitability of this material by a site visit on Thursday as you suggest, it would be very much appreciated as delivery of materials is proposed at the weekend.

Regards,

Trevor Puttock

Mr. D. and Mrs. P. Ling)

Porch area - bricks that would be used for extn.
close match/same colour but diff pattern/texture.
Existing texture is apparently not made anymore.
white cladding to dwelling also.
other properties have two diff bricks.
As extn is small compared to dwelling - ~~matter~~ choice of brick considered to be acceptable.

14A - phoned & said bricks OK & would follow up with a letter.

Any work carried out prior to these conditions being formally discharged is undertaken at your own risk and expense.

If you have already complied with these conditions, please disregard this letter.
