

PLANNING REF : 252512
PROPERTY ADDRESS : 22 Frog Hall Drive
: Wokingham, Berkshire
: RG402LF
SUBMITTED BY : Mr Tom Millward
DATE SUBMITTED : 03/12/2025

COMMENTS:

We strongly object to the retrospective planning application for the antenna and support pole installed on the side of 11 Priest Avenue. The structure is excessively tall and wholly out of proportion for a residential setting, creating an overbearing and dominant presence that is entirely inappropriate for the character of the area. Its industrial appearance is visually intrusive and unsightly, causing significant harm to visual amenity. From the rear of our property, the antenna is directly in view and appears imposing in our garden, and it is also clearly visible from inside our home, including our main living area. Furthermore, the retrospective nature of this application demonstrates a disregard for proper planning procedures and, if approved, would set a concerning precedent for similar breaches. For these reasons, I urge the planning authority to refuse this application and remove the antenna.
