Appraisal:

The proposed development is for a single storey rear extension to form a conservatory. It would be 3m wide, 4m deep and have a pitched roof, 2.2m to the eves and 3.1m to the ridge.

The property is an end terrace on a corner plot, a 1.8m fence encloses the rear garden and there are 3-4m high conifers along the boundary with The Spinney.

1. Impact upon neighbouring properties

It is not considered that there would be any adverse effects upon neighbouring properties as the conservatory is single storey and would have a solid wall facing the neighbouring property (No.39).

2. Impact upon the character of the street scene

The conservatory would not be visible from McCarthy Way or The Spinney. The materials used would match or be in-keeping with existing and it is therefore considered that there would be no adverse effects upon the character of the street scene.
