Dear Sirs

## **Proposed garage conversion 5 Geranium Close Crowthorne**

Please find attached on behalf of my client the application for a Certificate of Lawful Development for the part conversion of the garage to form a study at the above property.

The proposed conversion is to be considered as permitted development, but the client would like to have official confirmation in the form of a Certificate. I am therefore pleased to enclose the planning application which consists of application forms and drawings 2712/01 and 03 together with CIL information form and the application fee.

I trust all the details meet with your approval, but should you require any further information, please do not hesitate to contact me.

Yours faithfully

Paul Edwards
