

'Statement in respect to historic use of 3 Salmond Road as a Residential Children's Home'

In my capacity as Service Director for Children's Social Care and Early Help I can confirm that based on our electronic recording system (Mosaic), Children's Services placed a child with Calcott Services for Children, a Residential Children's Home between 16th October 2009 and 8th July 2013.

The address of the children's residential home was:

The Dingles, 3 Salmond Road, Early, Wokingham, RG2 8QN

Ofsted reports do not record the address of Children's Home to maintain confidentiality and ensure the address is not in the public domain. Instead, Children's Homes are identifiable through a unique reference number (URN). For 3 Salmond Road, the URN is SC054468.
