COMMENTS:

I object to this planning application because:

- This is clearly green belt land. have a caravan park sited close by.
- The site is unsuitable for this proposal as there is no mains water supply or sewerage (meaning frequent removal by large tankers). -it would put yet more pressure on local water courses and increase the risk of flooding both at this site and the rest of the village.n narrow country roads with no footpaths.ce. For this reason alone, this planning application should be rejected
