NOTIFICATION OF APPROVAL OF CONSENT

Application Number: 260807
Applicant Name: Gillian Mann
Site Address: 2 Ruscombe Road, Twyford, Wokingham, RG10 9JS
Proposal: Application for Listed Building consent for the proposed connection of replacement picket fence to side wall of the Listed Building.
Date of Decision: 5 May 2026

Wokingham Borough Council in pursuance of its powers under the above Acts and Regulations hereby **grants** listed building consent for the above works as stated in the application and the accompanying plans submitted to the Council subject to compliance with the following conditions, the reasons for which are specified hereunder.

Conditions and Reasons

1. Timescale

The works hereby permitted shall be begun before the expiration of three years from the date of this consent.

Reason: In pursuance of s.18 of the Town and Country Planning (Listed Building & Conservation Areas) Act 1990 (as amended by s.51 of the Planning and Compulsory Purchase Act 2004).

2. Approved details

This permission is in respect of the submitted application plans and drawings numbered PP-14576610v1, 1163_28, 1163_25.01 and 1163_25.02 received by the local planning authority on 01/04/2026. The development shall be carried out in accordance with the approved details unless otherwise agreed in writing by the local planning authority.

Reason: For the avoidance of doubt and to ensure that the development is carried out in accordance with the application form and associated details hereby approved.

3. Notwithstanding the details submitted, any damage or holes to the building's brickwork resulting from the removal of the existing picket fencing are to be repaired

and made good, to match the adjacent work with regard to the methods used and to material, colour, texture, and profile.

Reason: In order to safeguard the special architectural or historic interest of the building. Relevant policy: National Planning Policy Framework Section 16 (Conserving and Enhancing the Historic Environment) and Managing Development Delivery Local Plan policy TB24.

4. External materials

Except where stated otherwise on the approved drawings, the materials to be used in the construction of the external surfaces of the extension hereby permitted shall be of similar appearance to those used in the existing building, unless otherwise agreed in writing by the local planning authority.

Reason: To ensure that the external appearance of the building is satisfactory. Relevant policy: Core Strategy policies CP1 and CP3.

Informatives

1. The applicant is reminded that should there be any change from the approved drawings during the build of the development this may require a fresh planning application if the changes differ materially from the approved details. Non-material changes may be formalised by way of an application under s.96A Town and Country Planning Act 1990.

2. Whilst it would appear from the application that the proposed development is to be entirely within the curtilage of the application site, the granting of planning permission does not authorise you to gain access or carry out any works on, over or under your neighbour's land or property without first obtaining their consent, and does not obviate the need for compliance with the requirements of the Party Wall etc. Act 1996.

3. The Local Planning Authority has acted positively and proactively in determining this application by assessing the proposal against all material considerations, including planning policies and any representations that may have been received and subsequently determining to grant planning permission in accordance with the presumption in favour of sustainable development as set out in the NPPF.
