Dear David & Lorna

**RE: PLOT 40 STANBURY VIEW INCLUDING LAND TO THE SIDE OF**

I have now received the completed documentation from the Land Registry showing you as the legal owner of the property, including the additional land purchased from Taylor Wimpey. I enclose the Completion of Registration and Transfer for your retention and advise that the same should be stored safely and produced when you sell the property.

Should I be of any further assistance regarding this matter or any other do not hesitate to contact me.

Yours sincerely
