COMMENTS:

We object to the potential access into Century Drive by Spencers Wood play park due to safety concerns of people hanging around in an area that has always been quiet and safe for children to play in. We have never had any cause for concern in the park and feel with an area so large cutting into a quiet little cull-de-sac would cause all sorts of problems. We have lived here for 20 years with no problems and feel very strongly that this will change everything. Also we don't see the need for there to be a cut through into such a small quiet area, where we all feel safe and enjoy living.
