

**CONSULTATION RESPONSE RE 252862 Heathlands Farm Honey Hill Wokingham RG40 3BG**

**Application for submission of details to comply with the following condition of planning consent 251260 dated 07.10.2025. Condition 5 relates to archaeology.**

I have reviewed the WSI submitted with this consultation and can confirm that it lays out a suitable mitigation proposal for this development, therefore I recommend that it be approved.

However, as the works described still need to be undertaken and reported on, in accordance with the WSI, *I do not recommend it being fully discharged yet.*

Kind regards

Linden
