

PLANNING REF : 242067
PROPERTY ADDRESS : 33 Martineau La Martineau Lane
: Hurst
: RG10 0SF
SUBMITTED BY : Mrs Jean Thomson
DATE SUBMITTED : 14/09/2024

COMMENTS:

The developer may have reduced the proposed number of houses from 200 to 99 but fundamentally all the objections as outline in the 2023

Appeal decision equally apply to 99 homes. There is no work, no schooling, no food retailers, no medical services available to Hurst residents present or future without making a journey by car. The bus service is very limited to useless for day to day living needs, footpaths are narrow or do not exist and there are no dedicated cycle routes. All the village roads are narrow and unlit. The proposed site is outside the village development area, Hurst is classified as an area of limited development with appropriate house building already completed. I strongly object to this proposal and urge WBC to Refuse this application.
