Appraisal :

Development
Proposed single storey rear extension to dwelling to form conservatory. It measures 3.6m in depth x 3.15m in width x 3.1m in height at the highest part.

The site is a detached property located within the identified settlement of Wokingham.

Impact upon neighbouring properties
No 207 the adjoining property to the west has an extension and a conservatory at the rear. The proposed conservatory would be similar to the conservatory at no 207. In addition there is a 1.8m high timber fence a 2m high hedge between the two properties. In view of the above there would be no adverse impact upon the neighbouring property.

Impact upon the character of the area
The proposal is located at the rear and would not be seen from the front. The design of the conservatory is similar to others in the street and would have no adverse impact upon the character of the area.
