Application Number: F/2002/7952

Parish: **EARLEY**

Location: **31 Kensington Close, Lower Earley, Reading**

Proposal: **Proposed single storey side extension to dwelling and rear conservatory.**

The Wokingham District Council in pursuance of their powers under the above Acts and Regulations hereby **Approve Permission** for carrying out the above development in accordance with the application and the accompanying plans submitted to the Council subject to compliance with the following conditions, the reasons for which are specified hereunder.

Condition
1. The development hereby permitted shall be begun before the expiration of five years from the date of this permission.

Condition
2. All new works and works of making good to the retained fabric shall be finished to match in size, colour, texture and profile those of the existing building.

Reason
1. In pursuance of Section 91(1) of the Town and Country Planning Act 1990.

Reason
2. To ensure that the external appearance of the building is satisfactory.

Informative
1. This permission relates to the application as amended with revised drawing number 2296-02 submitted to the Local Planning Authority on 25 November 2002 showing the south-east elevation of the proposed conservatory and does not approve the proposals as originally submitted.

Informative
2. The applicant is reminded that this approval relates to planning permission only and does not constitute approval under any other legislation including Building Regulations. To obtain advice on current Building Regulations the applicant should contact the Building Control Section of the District Council's Planning Department.

Informative

3. You are advised, in compliance with The Town and Country Planning (General Development Procedure) (England) (Amendment) Order 2000, that the following policies and/or proposals in the development plan are relevant to this decision:

Berkshire Structure Plan Policy EN1
Loddon Area Local Plan Policies LBE1, LBE2
Deposit Draft Wokingham District Local Plan Policies WOS3, WBE1

Application Number: F/2002/7952 – 31 Kensington Close, Earley.

Appraisal:

Proposed Development

The proposed development is a single storey side extension and a single storey rear extension to form conservatory.

The single storey side extension will 3.4m in width, it will be 6.3m in length and have a height of 4.9m to the ridge of the roof.

The conservatory will 3.7m in width, it will project 3.1m and have a height of 3.05m.

The site lies in the identified settlement.

The proposed falls to be assessed against policies in the Loddon Area Local Plan (adopted) and Wokingham District Local Plan (deposit).

1. Impact upon neighbouring properties

Firstly, turning to the impact of the side extension.

Overbearing
Although the gable end of the single storey extension will face no. 33 Kensington Close it does not project beyond the rear of the property and there is a sufficient distance (approximately 7m) for there not to be any overbearing impacts.

Overshadowing
Given its relationship to neighbouring properties there will not be any overshadowing.

Overlooking
There are no windows proposed in the north west facing elevation.

Secondly, turning to the impact of the conservatory.

In terms of overlooking, there will be no adverse impacts given that views out from the conservatory will be screened. The boundary treatment is as follows:-

- The boundary to the north west is raised by 0.2m and is marked by a 1.5m high close boarded fence with 0.3m of trellis above.
- The boundary to the south east is marked by a 1.8m high close boarded fence.

7952

There will be no adverse impacts in terms of overbearing or overshadowing given the level of screening and the fact that the conservatory is a lightweight single storey structure.

2. Impact upon the character of the area

Firstly, turning to the impact of the side extension. The extension is of an appropriate scale and design to the host building. In addition, materials are proposed to match the existing. Accordingly, there will not be any detrimental impacts on the character of the area.

Secondly, turning to the impact of the conservatory. The proposed will be located to the rear of the property. However, the building is of an appropriate scale and design. In addition materials will match the existing. Accordingly, there will not be any detrimental impacts on the character of the area.
