HOW TO USE THIS MAP

This map has been carefully designed to make it easier for you to find and then follow your bus route.

All services are colour coded, and those that follow common stretches of route have been combined. Just select the colour-coded bus route you wish to use and then refer to the appropriate colour-coded timetable panel for your bus times.

Example: If you wish to travel from Bracknell Bus Station to Wildridings Shopping Centre, you will need to use the dark green route Service 151/152, so just refer to the dark green timetable panel for your bus times.
