NB: Notice served to 17 Bedford Gdns re overhanging on garage roof. (served 10/5/2000).

Application Number: F/2000/1490

Appraisal :

• Development : Existing flat roofed detached single garage to have pitched roof & extn to existing front dormer. The pitched roof over the garage will be 2.1m to eaves & 3.2m to ridge. The height & ~~protrusion~~ projection of the dormer extn will match the existing & will increase the width of the dormer by c 1.2m.

1) Impact upon neighbouring properties:-
It is considered that the proposed developments would have no detrimental impacts by overlooking/overshadowing/ overbearing.
The only issue is encroachment of the garage roof on to Nº 19 – but no objections have been received.

2) Impact upon the streetscene
It is considered that the proposed extn to the dormer would have no adverse negative impacts to the streetscene. The pitched roof to the garage will in considered to be an improvement to the existing flat roof. There is a mixture of garages with pitched & flat roofs in Bedford Road ∴ a pitched roof would be not be out of character with the rest of the streetscene. ∴ no detrimental impacts
