Dear Mr Scott,

PROPOSED SIGNAGE AT DOMINO'S PIZZA, BUSH WALK, WOKINGHAM (RE. REFUSAL OF A/2000/1492)

I refer to your letter and drawing (C10706) received on the 22 December 2000 with reference to the above.

The proposed logo sign at first floor level is considered derimental to the visual amenities of the conservation area, and any sign in such a location would be discouraged. Otherwise, I can confirm that your revised proposals are more acceptable having eliminated the internal illuminated sign from the side of the site to the fascia area above the front of the shop, and changing the illumination to being externally trough lit. I can also confirm that the window graphics are considered acceptable.

I hope this information is of assistance to you, however, it is of an advisory nature only and given without prejudice to any future decision that this Council may take. Should you wish to discuss any matter further please do not hesitate to contact Natalie Brown.

Yours sincerely

Further to the meeting that we held at your offices with regard to the above location, we have now prepared a revised scheme along the lines discussed.

2) Impact upon the character of the area.
The site is located within the Wokingham Town Centre conservation area, the proposed advertisement will be internally illuminated. Policy WBE18 states that internally illuminated signs would not normally be acceptable within a cons. area.
