Application Number: 250527
Applicant Name: Rilex International Ltd
Site Address: Malmsbury Estate, Remenham Hill, Remenham,
Berkshire, RG9 3HN
Proposal: Application for a certificate of existing lawful
development for a metal framed barn clad with green
profile sheeting, used to store hay and feed.
Date of Decision: 29 April 2025

Wokingham Borough Council hereby certifies that on 5 March 2025 (being the date of application for this certificate), and subject to any conditions and/or informatives below, the operations described in the First Schedule to this certificate in respect of the land specified in the Second Schedule hereto and edged red on the plan attached to this certificate, **would have been lawful** within the meaning of section 191 of the Town and Country Planning Act 1990 (as amended), for the following reason(s):

1. The building constitutes development requiring planning permission. The relevant test for Lawful Use is the 'balance of probability'. Based on the evidence provided and the Local Planning Authority's own information, it is considered to have been demonstrated that the building has been substantially completed for at least 4 years. It is therefore considered that the application of a certificate of existing lawful use should be approved.

Informatives

1. This Certificate relates to operational development only.
