COMMENTS:

I am writing to express my strong support for the planning application (Ref: 250543) to change the usage of the proposed building into a Muslim Community Centre in Winnersh.

This centre will serve as a vital space for local Muslim residents to practice their faith, engage in community activities, and foster positive relationships with the wider community. In addition to being a place of worship, it will provide educational programs, social services, and cultural exchange opportunities, contributing to social cohesion and mutual understanding.

Winnersh is a diverse and growing area, and having a dedicated space for faith-based and community-driven activities will greatly benefit both Muslim and non-Muslim residents. The centre will promote inclusivity, encourage interfaith dialogue, and serve as a hub for charitable initiatives that support the local community.

I strongly pledge my support for this application, as it will enhance the cultural and social fabric of Winnersh while providing a welcoming space for people of all backgrounds.
