COMMENTS:

A dedicated place of worship is essential for fostering community cohesion, spiritual well-being, and inclusivity within Wokingham. The proposed masjid will not only serve as a place for prayer but will also provide valuable educational and charitable services, benefiting people of all backgrounds.

Having such a facility will enhance the town's diversity and accommodate the needs of a growing Muslim community, ensuring they have a designated space for worship, social support, and cultural exchange. Furthermore, it will promote positive interfaith relations and contribute to the wider social fabric of the area.

I kindly urge the council to approve this application in recognition of the importance of religious and community spaces in a thriving society.

Thank you for your time and consideration.
