Site: 12 Denton Road, Wokingham, RG40 2DX

Quotation for Tree Work

T1 Norway Maple: Regrettably this tree has a bark and cambium disease with large patches of necrotic bark visible from ground level. See photos.

- Remove as close to ground level as practicable.

For the sum of £2,800.00 + VAT

All arisings to be processed and together with the stem and cord wood, removed from site and the area left clear.

Please note we may request access to toilet facilities for the duration we are on site.

All prices will be subject to VAT at the current rate, our terms and conditions are attached. All work covered by £10,000,000 public liability insurance. Please note we cannot take any responsibility for damage to underground services.

All works are carried out in accordance with the current British Standard 3998: Recommendations from Tree Work 2010, The New Road and Street Works Act 1991, The European Tree Pruning Guide 2005 and Tree Solutions also ensure adherence to The Wildlife & Countryside Act 1981 and European legislation for protected species found in the UK that may be encountered before or during arboricultural operations.

I hope you find this to be in order but please do not hesitate to contact me should you wish to discuss any aspects of this quotation. If you wish to accept our quotation, please contact Marilyn in the office on 0118 9737873 or via email, in the meantime I look forward to hearing from you.

Yours sincerely

Stephen Arnold
Managing Director
Arb Association Approved Contractor

TREE SOLUTIONS ARBORICULTURE LTD (TSA) TERMS AND CONDITIONS

On accepting our quotation ordering Works and Services the Client hereby agrees to these Terms and Conditions.

QUOTATIONS.

All quotations for Works and Services are valid for 90 days from the date of issue unless otherwise specified and prior to acceptance of quotation TSA reserves the right to amend the price of Goods and Materials to reflect any changes to the cost of such Goods and Materials due to any factor outside of our control. All quotations are Work and Services specific and not time related. In the event of a variation from the original quotation for Works and Services arising from changes to site or ground conditions, Client requirements since original site visit or additional Works and Services requested whilst on site, the original quotation will be revised accordingly on the day and deemed valid.

WORKS and SERVICES.

All agreed Works and Services will be carried out in accordance with the relevant British Standard 3998: Recommendations for Tree Work (2010), The New Road and Street Works Act 1991, Wildlife and Countryside Act 1981, Countryside and Rights of Way Act 2000 and Conservation of Habitat and Species Regulations 2012 within an agreed timescale, weather and ecologically permitting. Stump-grinding will to a minimum depth of 100mm below the immediately adjacent ground level and will include the removal of the stump and buttress roots and will not include lateral roots unless otherwise specified and may not be done at the same time as other Works and Services. It is the responsibility of the Client to remove any garden paraphernalia, ensure a safe and healthy access to the site and to advise TSA of the routing and location of any aerial or subterranean utilities, wires, cables or pipelines that may impede Works & Services. TSA will not be responsible for any damage caused to the Client's plants, garden paraphernalia or utilities in carrying out any Works or Services. All arisings to include branches, woodchip, logs will be removed from site unless otherwise specified.

PERMISSIONS.

It is the responsibility of the Client, if they are not the tree owner then to obtain permission from the tree owner, to advise TSA of any Tree Preservation Orders, Conservation Area restrictions or covenants which apply to their trees. It is the responsibility of the Client to obtain any permission required for Works & Services from the landowner and any landowner involved with access to the site, Local Planning Authority (LPA) or Forestry Commission (FC) where appropriate. If TSA undertakes an application or notification to any LPA, FC, Environment Agency, Natural England or appropriate authority an administration fee of £45.00-£95.00 (+VAT) may apply plus any fees or levies if charged by that authority. Should Works and Services involve traffic management or road closure as specified by the Highways Agency or LPA directives will be subject to a specific and separate pricing arrangement.

PRICES and PAYMENT.

All Works and Services, Goods and Materials are supplied exclusive of Value Added Tax (VAT), unless otherwise stated and will be charged at the current applicable rate and included on the final invoice. Payment Terms are strictly 30 days from the date of invoice, unless special arrangements have been made. Payments for Works and Services are to be made by cash, cheque or bank transfer as detailed on the invoice. The title to Works and Services and the ownership of Goods and Materials are retained by TSA until such time full payment is received and cleared. TSA reserves the right to apply a charge equal to that of bank's un-authorised overdraft rate, capped at 2% per month to any overdue payments and in the event of non-payment leading to civil action, Court Fees, any fees incurred by debt collection agencies and similar disbursements will be added to the outstanding account. Liability for payment for Works and Services ordered by agents, surveyors, architects or any third party is considered to be joint and several.

DEPOSITS and CANCELLATION.

Certain Works and Services may be subject to a deposit payment prior to commencement of Works and Services or purchase of materials as specified by the Client in accordance with Works and Services. The Client has Notice of Right to Cancel up to 7 days prior to the scheduled commencement of Works and Services. Any notice of Cancellation of Works and Services, either by telephone, mail or email, issued by the Client within 7 working days of the scheduled commencement of Works and Services shall be subject to a charge of 50% of the originally quoted price for Works and Services should the working time allocated not be fulfilled.

LIABILITY.

TSA's entire liability for Works and Services supplied shall not exceed TSA's price accepted by the Client for the specified Works and Services. The hire of plant and crane machinery, signage, traffic management and ancillary equipment can be subject to separate and individual Terms and Conditions as issued by the hire company and can be supplied at the time of hire.
