NOTIFICATION OF REFUSAL OF CERTIFICATE OF LAWFUL PROPOSED USE OR DEVELOPMENT

Application Number: 252571
Applicant Name: Mr Chris Rose
Site Address: 36 Deardon Way, Shinfield, Wokingham, RG2 9HF
Proposal: Application for a certificate of lawfulness for the proposed erection of a single storey side extension along with changes to fenestration.
Date of Decision: 16 December 2025

Wokingham Borough Council hereby certifies that on 12 November 2025 (being the date of application for this certificate), and subject to any conditions and/or informatives below, the operations described in the First Schedule to this certificate in respect of the land specified in the Second Schedule hereto and edged red on the plan attached to this certificate, **would not have been lawful** within the meaning of section 192 of the Town and Country Planning Act 1990 (as amended), for the following reason(s):

1. The proposed erection of a single storey side extension along with changes to fenestration constitutes development and thus requires planning permission. Permission is not available under the GPDO for the following reasons:

The enlarged part of the dwellinghouse extends beyond a wall which fronts a highway and forms a side elevation of the original dwellinghouse.

The side extension has a width greater than half the width of the original dwellinghouse. The original dwellinghouse measures approximately 4.91m and the extension measures 2.5m.

Permission is therefore not available under Article 3 of the Town and Country Planning (General Permitted Development) order 2015, the proposal not being in accordance with Schedule 2 (Part 1) (Class A) of the order.

In addition, it appears to the council that the development would be outside of the residential curtilage onto the landscaping that forms part of the estate amenity land. This can be seen from 2019 aerial photographs. The development would therefore not fall within Part 1 of the GPDO as it would not be within the curtilage of a dwellinghouse.

Informatives

1. This Certificate/Decision is issued in respect of drawings numbered (25056.PD-10,25056.PD-08,25056.PD-07,25056.PD-05,25056.PD- 06),received by the local planning authority on 22/10/2025 and 12/11/2025.

TOWN AND COUNTRY PLANNING ACTS

TOWN AND COUNTRY PLANNING ACT 1990: SECTION 191 AND 192

TOWN AND COUNTRY PLANNING (DEVELOPMENT MANAGEMENT PROCEDURE) (ENGLAND) ORDER 2015: ARTICLE 39

Other statutory legislation: This decision notice relates to the above stated acts and regulations only and does not constitute approval under any other legislation.

Tree Preservation Order: This decision notice does not give consent for any work that may be required as a result of the development above to a tree protected by a tree preservation order. You should apply separately for works to trees through the [Planning Portal website](#).

Community Infrastructure Levy: If the application includes 100 sqm or more of new floor area then it is liable for the community infrastructure levy.

The Town & Country Planning (Development Management Procedure) Order: This decision has been made in accordance with the requirements of the National Planning Policy Framework (NPPF) and in the requirement to work with the applicant in a positive and proactive manner.

Officer Report: An officer report explaining the decision will be available to view online.

Appeals to the Secretary of State: If your application has been **refused** by the Borough Council or **granted subject to conditions** that you are not happy with, you have the right to appeal to the Planning Inspectorate (under Section 78 of the Town and Country Planning Act 1990 or Section 20 of the Planning (Listed Buildings and Conservation Areas) Act 1990). There is **no time** limit for the submission of appeals in respect of certificates of lawful proposed use/development.

The Planning Inspectorate is an Executive Agency reporting to the Secretary of State for Communities and Local Government. The Inspectorate has an online appeals service as set out on the [.gov.uk](#) website which contains information and guides on the appeal process. Alternatively you can obtain a form from the Planning Inspectorate at Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN, 0303 444 5000 or through the [Planning Inspectorate website](#). Please note all documents will be published online by the Planning Inspectorate

and therefore you should not include personal information you do not wish to be displayed in this way. This includes personal information of third parties.

Gas Mains and Services: Building over a gas main or service that is located within your site could cause damage to pipework or potential gas leaks within buildings. You should check for information relating to services within your site at [Home - LinesearchbeforeUdig \(lsbud.co.uk\)](http://lsbud.co.uk) and contact the Plant Protection Team at SGN on 0800 912 1722 or plantlocation@sgn.co.uk.

Building Control: The development subject to this certificate may also require Building Regulation approval to ensure it is built to national safety, design, and environmental standards. The Council's Local Authority Building Control (LABC) service offers a full range of plan approval, inspection, and associated services through an ISO9001 nationally accredited team of qualified building surveyors. These surveyors work closely with the Council's planning department to ensure the appropriate construction of your build. To find out more visit the Council's Building Control website or call 0300 790 0580 to speak to a member of the team.
