Re: Planning Application No: 251385 – Installation of two masts with associated equipment and works on Land Adjacent to Phoenix Park, Nelsons Lane, Reading

Thank you for your email dated 19 September 2025, regarding the above-mentioned consultation.

The proposed development has been examined from an aerodrome safeguarding perspective and it does not conflict with safeguarding criteria. We therefore have no objection to this proposal.

Please Note: We only need to be consulted on developments at 300m or higher above ground level in the Wokingham Borough Council area.

If you have any queries, please do not hesitate to contact me.

Yours sincerely
