COMMENTS:

I object to this application as its totally inappropriate for this area.

It would bring unnecessary congestion and pollution to the Old Bath Road with heavy lorries. This would be additional as there often are already articulated lorries manoeuvring into the Total Tyre Co depot on the same site.

Also the storage, loading and unloading of huge quantities of fuel oil is a potential danger to the wild life in Charvil Nature Reserve and possible pollution of the lake and river, all adjacent to this site
