COMMENTS:

This area around Old Wokingham Rd has been totally violated by massive overdevelopment with new houses already. It cannot cope with hundreds more houses.

Forests destroyed for 1,000+ at Bucklers Park, 1,000s in south wokingham, hundreds off swords drive, Beaufort park, etc etc.

Traffic is ridiculous already, totally inadequate supporting infrastructure, woeful destruction of natural greenspace and farmland, closure of

separation between wokingham, bracknell, Crowthorne, complete lack of consideration for existing residents. The list goes on!

Almost impossible for any council to think that the area can sustain even more.

A complete disgrace allowing this development to proceed.
