Comments On Proposal

The proposal will result in additional habitable rooms. The submitted parking layout has previously been accepted for parking of three vehicles. The level of parking meets WBC parking standards and is therefore considered acceptable.

It should be noted that the site is in a sustainable location with good access to public transport and the pedestrian/cycle network. In addition, Compton Close is subject to waiting restrictions which prevents any on-street parking during the hours of 8am-6pm.

Conditions & Reasons (if required)

1. CF4 – PARKING (AS APPROVED)
