

ONR Land Use Planning - Application 242543

Dear Sir/Madam,

I have consulted with the emergency planning authority within West Berkshire Council which is responsible for the preparation of the off-site emergency plan required by the Radiation (Emergency Preparedness and Public Information Regulations) (REPPIR) 2019. They have not been able to provide me with adequate assurance that the proposed development can be accommodated within their off-site emergency planning arrangements.

Therefore, ONR advises against this development, in accordance with our Land Use Planning Policy (<http://www.onr.org.uk/land-use-planning.htm>).

I would be grateful if you would notify ONR of the outcome of the determination of this application via email to ONR-Land.Use-Planning@onr.gov.uk.

Kind regards,

Land Use Planning
