Dear Mrs Tuckwell,

TREE PRESERVATION ORDER NUMBER: 1280/2008

APPLICATION NUMBER: 243024

LOCATION: LAND TO THE REAR OF 76 JERRYMOOR HILL, FINCHAMPSTEAD, WOKINGHAM, RG40 4UG

I am writing to you regarding your application to carry out works to protected tree(s), which was received on 29 November 2024 and validated on the 05 December 2024.

I can confirm Wokingham Borough Council **consents with conditions**, to the following work being carried out to tree(s) included in the above-mentioned Tree Preservation Orders (TPO):

Approved works to Single 1 of TPO 1280/2008:

T12, Oak (T1 on TPO):

- Crown lift over play area by 3-4m above ground level; prune lowest branch (as shown on photograph) back to main stem.

Reasons stated for works:

To provide adequate height clearance beneath the crown and to immediate surroundings and facilitate future detailed inspection of lower main stem and buttress roots.

Officer comments:

The proposed work is minimal in impact and will not result in any detrimental effect on the tree. Minor cyclical pruning is reasonable and is carried out to prevent obstruction to pedestrian access.

The consent is granted subject to the following conditions:

1. The above works must be completed before **29 January 2027** and in the event of the works not being completed by that date, further consent will be required.
2. Work must be carried out in accordance with British Standard 3998 – 2010 'Tree work - Recommendations'. Works are to be undertaken using hand tools, ensuring the bark of the main stem is not damaged.

Reasons for conditions 1-2.....

1. To ensure that our records remain accurate.
2. To ensure the health, safety and visual amenity of the tree(s) and ensure works are undertaken in accordance with recognised arboricultural good practice.

Informative:

If you are aggrieved by any of the conditions attached to your consent, you may appeal to The Planning Inspectorate (PINS). Because of coronavirus (COVID-19), you currently can only make a planning appeal online. You cannot currently apply by post.

You are advised that this letter is in respect of the **Tree Preservation Order only** and it does not imply that consent would be forthcoming from the owner of the tree(s) or any such other persons from whom consent would be required.

If we can be of any further assistance, please contact the Tree and Landscape Officer via email to: development.control@wokingham.gov.uk

Yours sincerely,

Please note that your attention is drawn to the following information:

Bird Nesting Season and Presence of Bat Roosts

In accordance with the Wildlife and Countryside Act (1981) and Countryside Rights of Way Act (2000), consideration must be given to the timing and type of tree work operations, to avoid causing disturbance to any nesting birds or bat roosts that may be present within the tree(s).

The Act makes it an offence (subject to exceptions) to intentionally kill, injure, or take, possess, or trade in any wild animal listed, and prohibits interference with places used for shelter or protection, or intentionally disturbing animals occupying such places.

It is advised that all non-urgent major tree work and hedge cutting operations are undertaken at a time to avoid disturbing nesting birds during the breeding season (to which the bird nesting season is considered to be from March to July). Where bats are suspected to be present, it is recommended that advice first be sought from a licenced bat specialist and if appropriate, the relevant licence(s) be obtained before any major tree work or hedge cutting commences.

Forestry Act 1967 and Felling Licences

If it proposed to fell a tree or trees greater than 5 cubic metres or sell more than 2 cubic metres of timber in any calendar quarter, a Felling Licence from the Forestry Authority may be required.

Please note that Felling Licences are not required to remove trees from domestic (residential) gardens. Where you are the landowner of large pieces of land with numerous trees, clarification from the Forestry Commission may be required as to whether a Felling licence is needed.

For more information on Felling Licences, please speak to the Woodland Officer at the Forestry Commission on 01296 696543
