Dear Nihil,

Thank you for asking us to quote for the tree work at your property.

Description of works	Cost
Subject to permission being granted: • Cut back Sweet Chestnut to give approximately 2m clearance to the roof of 124 Nightingale Road • Approximately 1-2m reduction in branch length in the north east quadrant of crown to lessen the overhang into the garden of 124 Nightingale Road • Remove major deadwood overhanging garden of 124 Nightingale Road • All cuts to be made to appropriate pruning points and in accordance with BS:3998 • Remove all waste generated by the work Please note that whilst care will be taken, it is likely that there will be some disruption to the ground	£1,090.00
VAT (20%)	£218.00
Total including VAT	£1,308.00

This quotation will remain valid for 60 days. Payment is to be made by bank transfer on receipt of invoice after completion of the work. If the site conditions change (e.g. a shed is built under the tree, access becomes restricted through the setting up of scaffolding in passageway, etc.), please alert us immediately, as this may result in additional charges.

Please be aware that if nesting birds are present in the tree/hedge, then the work cannot commence until the nest is vacated. If a nest is discovered during the works, work will stop and the job will be completed at a later date, once the nest is vacated.

Please note that if any of the trees affected by the proposed works is located in a Conservation Area or subject to a Tree Preservation Order, permission needs to be sought from the relevant local authority before any work can be undertaken.

If you have any queries and/or wish to proceed please get in touch.

Kind regards,
David White
